<input type="checkbox"/> Neck	<input type="checkbox"/> Abdominal region	<input type="checkbox"/> Lower inner thigh	<input type="checkbox"/> Feet
<input type="checkbox"/> Chest wall	<input type="checkbox"/> Hip/Glutes region	<input type="checkbox"/> Other _____	

Therapists reserve the right to decline, discontinue, or restrict services based on any information provided in this form and that may indicate that massage therapy would put the client’s or therapist’s health at risk. Please check off each item below to indicate that you have read, understand, and acknowledge being given informed consent and consent to terms of services today and in the future. After submitting this form, you will receive these terms of service in an email for your future reference. All terms must be acknowledged before you may begin sessions at this facility.

***Please read and initial each item below to indicate that you have read, understand, and acknowledge being given informed consent:***

\_\_\_\_\_ **CANCELLATION POLICY.** I understand that Hands On Health requires me to pay in full for missed appointments or late canceled reservations. I agree to pay in full for the time that the therapist set aside just for me, including those times I choose to end an appointment early or arrive late for any reason. To avoid being charged, I acknowledge that cancellation/rescheduling notice must be given by 7:45pm Monday-Friday, 4:45pm Saturday (for Monday appointments), or prior to when the business closes for a holiday. I agree to refrain from rescheduling/canceling appointments when I book a same day appointment.

\_\_\_\_\_ **TABLE TIME.** I am aware that every appointment includes time for pre and post treatment consultation and is not solely for time on the table. Except in the cases where I seek massage for relaxation purposes, I understand that lengthier consultations may be a part of the therapy session time. I should expect at least 10 minutes of every treatment may be used for consultation and environmental cleaning & disinfecting procedures.

\_\_\_\_\_ **PREVENTING TRANSMISSION:** I have been informed that no amount of prevention can completely eliminate airborne transmission between folks who share common space, mask wearing by visitors is welcome but not required, air filtration units are present in treatment rooms, and hygiene protocols are in place between sessions.

\_\_\_\_\_ **TEMPORARY SKIN DISCOLORATION.** I am aware that due to the nature of therapeutic massage, techniques and tools may leave temporary discoloration of the skin. This temporary discoloration can be a normal side effect of the therapy but does not happen in every session. Techniques that may temporarily discolor the skin include but are not limited to deep friction massage, massage cupping, Graston and Gua Sha. If I am introduced to these tools or techniques and this is something I do not consent to receiving, I agree to communicate with my therapist and say so at that time or any time in the future.

\_\_\_\_\_ **CANNOT DIAGNOSE.** I understand that massage practitioners cannot diagnose illness, disease, or any physical or mental disorder or reason for physical discomfort. I acknowledge that massage is not a substitute for medical treatment, and it is recommended that I see a primary healthcare provider for that need.

\_\_\_\_\_ **COMMUNICATING CONCERNS.** I understand that it is only fair to me and to my practitioner that I verbally communicate any concerns or questions at any time during my session. My therapist and I both have the right to end a session at any time. It is recommended that I call the office in advance of the next session should I have any concerns about a prior session.

\_\_\_\_\_ **CLIENT CONFIDENTIALITY.** I acknowledge that I am aware of Hands On Health’s obligation and commitment to maintaining confidentiality regarding the disclosure of my health information by Hands On health to other healthcare professionals. I agree that I will ask for clarification if I need assistance understanding confidentiality.

\_\_\_\_\_ **PAYMENT ARRANGEMENTS.** Payment is due when services are rendered unless payment arrangements have been made ahead of time. Gift certificates should be used for their full value whenever possible. If you’ve booked a session for less time, please note that you will receive the remainder in the form of a credit. Gift certificates are transferable to others but non-refundable for any reason, including any temporary office shutdown.

***I have read and understand these policies and I agree to honor these Terms of Service:***

Signature (parent/guardian\* if under 18) \_\_\_\_\_ Date \_\_\_\_\_

\* Under age 16, we recommend that a parent/guardian remain with the child during the session until a therapeutic relationship is established.
